Here's an important question: How do you know if you've chosen the right name for your cat? After years of helping new cat owners find the perfect name, here are some tips we've collected along the way: Is it easy to say? There are great names on paper but it's hard to pronounce in everyday life. Before you become set on there, make sure it rolls off that tongue after all, you say it many times a day as soon as the cat joins your family! Does that fit your cat? Check to see if the name matches your cat's personality and appearance before committing there. Say it out loud. Can you imagine calling your cat with that name? If not, then it's not the right choice. Move on and choose something more appropriate. And finally, trust your gut. Ask any new cat owner: When you find the right name, you know it! How to teach your cat his name here Rover.com, we're obsessed with pet names. Every year we release data on the names of Canada's top dogs, but this year we wanted to do things differently. Curious about what cat name ratings look like, we dug into our vast database of pet names to reveal the most popular cat names of 2019. But we didn't stop there! Inspired by all creatives Unique names in our database, we decided to collect the best orange cat names across the country. Looking for the perfect name for your new orange cat? It's a great place to start. We've covered a lot of ground here: there are names for feisty orange cats. Orange and orange cats will be accompanied. Stupid orange cats. From Uppress to Daphne to Archie, there's a name on that list for every kind of orange cat. How to choose the best orange cat name was a time when cat names were simpler and non-specific. And while there's no harm in going with a more classic choice like Felix or Kitty, today's cat owners are finding inspiration there in some of the most unlikely places. With nods to pop culture, history, and even food trends, unique cat names are gaining traction in Canada – a trend we can definitely get behind! Brainstorm names for your orange cat, start with his personality. Is he a brave aronist or a brave Sansa? What about a delicate tulip or a strong Leo? Think about his habits and his general character, and you'll be on your way to a big name. Your interests and hobbies can also be sources of inspiration. Cat owners look at their favorite characters, musicians, books, flowers, movies, and containers for ideas. Stretch your imagination and consider unrelated names in your cat's orange coat. Maybe a name like Finn or Millie would suit your orange cat better than the popular Penny or Pepper. You know your cat better than anyone. So get those creative juices flowing, and give your orange kitten an unusual name just like her!
